FLOOR & WALL TILES

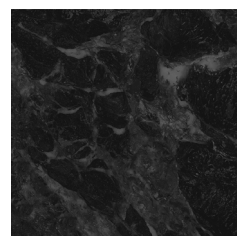

Amici is a striking 200x200mm tile range that offers the timeless beauty of natural marble in a hardwearing porcelain body.

Featuring rich veining and bold colourways, each tile adds depth and character to walls or floors. Perfect for creating visual interest, Amici can also be laid in a classic chequer-board pattern for a statement look.

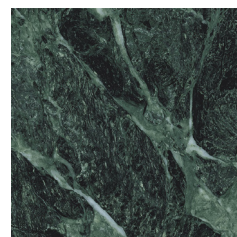

Durable and versatile, it's an ideal choice for both contemporary and traditional interiors.
