Anthology Tile Range

Anthology

FLOOR & WALL TILES

Available in a versatile 600×600mm format, Anthology offers gentle stone-like movement with delicate veining that adds warmth and depth without overpowering the space.

Perfect for serene bathrooms, open-plan living areas or contemporary light commercial interiors, Anthology creates a calm, cohesive backdrop that pairs beautifully with modern fittings and soft finishes. Crafted with a durable, low-maintenance satin glazed surface, it offers both style and practicality for everyday living.

Timeless, versatile and effortlessly modern, Anthology is designed to elevate spaces with understated confidence.
