Arauca Tile Range

Arauca

FLOOR & WALL TILES

Warm, earthy and effortlessly stylish, the Arauca 65x200mm range brings a handcrafted feel to contemporary spaces. It features subtle tonal variation and a softly textured matt surface.

Arauca has a subway tile format which is perfect for classic brick layouts, vertical stacks or creative patterns that add depth and movement to walls and floors.

Ideal for kitchens, bathrooms and feature spaces, Arauca creates a relaxed, organic aesthetic that pairs beautifully with natural materials. This versatile range delivers timeless appeal with a distinctly artisanal charm.
